

DSS Foam Dock Seal with Head Pad

Product Specifications

DESIGN HIGHLIGHTS

- Provides a positive seal between internal and external environments. Prevents
 the passage of dust, insects, exhaust fumes and other airborne particulate
 matter while the loading dock is in use
- Roll-formed, galvanized steel framing with 5 year warranty
- Endurance tested foam core is continuously bonded to frame surface with flexible, non-flammable adhesive
- A wide selection of durable coated fabrics provide maximum durability
- Highly resilient, open-celled polyurethane foam keeps original shape and compresses easily to extend the seal life
- Side pad bottoms are tapered to avoid pinching and wear
- All pads are vented for air and moisture release
- Full length yellow stripes guide drivers to the dock
- Heavy-duty, galvanized steel mounting brackets included
